"It is anticipated that last-minute items may come before this body as a result of Town Meeting events. Because agenda items will most likely not be identified 48 business hours in advance, as stipulated by the Open Meeting Law, this meeting is categorized as an "Emergency" meeting under Section 20(b) of that Law – "In an emergency, a public body shall post notice as soon as reasonably possible prior to such meeting." In keeping with the spirit of the Open Meeting Law, this body will post agenda items as soon as reasonably possible prior to meeting. If no issues arise, then the public body may not meet. Please check back here for updates."
